Research Hospital**

March 17, 2018
1:00pm Scramble Start

Proceeds are donated to St. Jude Children's Research Hospital

**We invite you to join us for the 11th
Annual Waste Management Charity Golf
Tournament!**

2017 marked our eighth year of fundraising for the St. Jude Children's Research Hospital. Each year, through your support, this tournament has been successful bringing our eight year donation total to more than \$117,000. With the support of our sponsors, we are excited to continually support this phenomenal organization.

St. Jude Children's Research Hospital is one of the world's premier pediatric cancer research centers helping over 5,700 patients a year. St. Jude is the only pediatric cancer research center where families never pay for the treatment not covered by insurance. No child is ever denied treatment because of a family's inability to pay.

**We need your support to make
this another successful year!**
